## Payment Terms

£45 payable at registration covering set up & administration costs (£60 for non-member organisations) with the remainder payable at Gateway & before EPA commences (non-refundable)

Apprentices using South West Councils' EPA service must read our **Policies and Statements document**, paying particular attention to the **Malpractice and Plagiarism** policy and the **Appeals** policy

Apprentices are registered on our EPA system at the start of their programme. Their account is activated when the Training Provider confirms they are ready for End-Point Assessment. Gateway declarations are confirmed and appropriate evidence uploaded. Apprentices can upload project evidence for assessment.

Assessors make assessment decisions and upload recordings of discussions, observations and presentations along with feedback comments for each assessment element. Apprentices receive digital badges for each successfully completed assessment element. When all assessment elements have been achieved, Final Sign Off is actioned and the Apprentices' certificate is claimed
